

Launches Digital 'Shareconomy'

To drive a systematic approach for optimization of industrial capacities, my is built on apt of sharing. People with multiple business needs with surplus resources could potentially be put to the former's Shareconomy, its can extend of their capacities could also be able a variety of new s; thereby scaling their real potential economy platform designed to protect intelligence not only help owners and seek to provide in-key aspects of health. Depending on the Jayesh Desai, Chairman, Rajhans Group said, aim to scaling lights, Rajhans always spread its

roots across various sectors. With the thriving e-commerce platform like Shareconomy, we plan to change the way people do business. Shareconomy simply breaks down the barriers among businesses by generating the best connections backed by expert guidance leading to practical solutions, range of opportunities and a whole new recognition to your business.

Mr. Shekhar Kale, Co-founder & CEO, Shareconomy said, "Within India, there are 36 million registered MSME units and the major challenge for them is utilization of installed capacities.

Very few companies work to the fullest of their capacities. There is no online or offline platform where you can get ready information about available spare capacities.

Shareconomy is based out of Mumbai with regional offices in Delhi, Bangalore, Surat, Kolkata, Pune and Hyderabad and is a part of the Surat-based Rajhans (Desai-Jain) Group. They also have further plans to expanding internationally in countries like Singapore, the UK and US.

Global cues drag Indian Business Brief III

Mumbai, 32,282.2

Negative global cues, coupled with heavy selling pressure in banking and metal stocks, dragged the Indian equity markets lower during the mid-afternoon trade session on Thursday.

Stocks of banking majors like Axis Bank, ICICI Bank and State Bank of India were among the top losers on the BSE.

According to market observers, RBI's decision to reduce key lending rates could not lift investors' sentiments. The Reserve Bank of India in its third bi-monthly monetary policy review of 2017-18 on Wednesday lowered the repurchase and reverse repurchase rate by 25 basis points.

At 1.00 p.m., the wider Nifty50 of the National Stock Exchange (NSE) fell by 33.80 points, or 0.34 per cent, to trade at 10,047.70 points. The 30-scrip Sensitive Index (Sensex) of the BSE, which opened at 32,502.55 points, traded at 32,347.54 points -- down 129.20 points, or 0.40 per cent -- from its previous close at 32,476.74 points.

The Sensex has so far touched a high of 32,502.55 points and a low of

"We have been able to sustain our sales growth during first quarter, we expect the rest of the year to be on similar lines. Our efforts for increasing the profitability will show better results in the coming quarters," commented Mr. D Ram Reddy, Joint Managing Director of Balaji Amines Limited.

BMW launches the new BMW 320d Edition Sport in India

New Delhi,

The new BMW 320d Edition Sport was launched in India. With its outstanding sporting characteristics and design, the BMW 320d Edition Sport amplifies the sporty and dynamic character of the BMW 3 Series.

The new BMW 320d Edition Sport is locally produced at BMW Plant Chennai and can be ordered from BMW dealerships from today onwards.

Mr. Vikram Pawah, President, BMW Group India said, "With the launch of the new BMW 320d Edition Sport, we go a step further in presenting a well-balanced portfolio of the BMW 3 Series. The latest generation BMW TwinPower Turbo diesel engine of the BMW 320d Edition Sport gives a thrilling power delivery and excellent responsiveness which guarantees sheer driving pleasure on the road. Agility and driving dynamics remain the outstanding disciplines of the new BMW 3 Series. The new BMW 320d Edition Sport will build an emotionally rich connection between a sporting driving experience and unbeatable everyday practicality. The eight-speed Steptronic Sport automatic transmission performs smooth, almost imperceptible gear shifts. For even greater driving pleasure, the eight-speed Steptronic transmission is available with steering wheel paddle shifters. At any time, in any gear, the transmission collaborates perfectly with the engine, enabling to develop its full power and efficiency. Furthermore, the BMW 320d Edition Sport comes with a Launch Control function as standard. This easy-to-activate system paves the way for ambitious drivers to achieve optimum acceleration under all conditions.
